TERMINAL DISCLAIMER

(By Attorney)

Commissioner for Patents
Alexandria, Virginia 22313-1450

Sir:

The undersigned petitioner, an attorney of record, is hereby acting for the undemanded entity which is the 100% owner of all rights, title and interests in and to the subject application, as shown by the Assignments recorded on January 4, 2002, on Reel 012440 Frame 0235 and on Reel 012440 Frame 0299 and hereby disclaims (except as provided below) the terminal part of the statutory term of any patent granted on the subject application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173, as presently shortened (if at all) by any terminal disclaimer of:

(A)

any patent granted in regard to U.S. Application No.

09/948,713 filed September 10, 2001

and any patent granted in regard to U.S. Application No.

10/301,859 filed November 22, 2002

(B)

and the earlier granted United States Patent No.

6,379,866 issued April 30, 2002

and the earlier granted United States Patent No.

6,537,729 issued March 25, 2003

to which said entity also has legal title. Petitioner hereby reserves the right to extend the term of the patent, which issues on this application, for regulatory delay or otherwise as the law allows. Petitioner hereby agrees that any patent so granted on the subject application shall be enforceable only for and during such period that it and the patents listed above under (A) and (B) are commonly owned. This agreement runs with any patent granted on the subject application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, petitioner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 to 156 and 173 of a patent listed under (A) or (B) above, as presently shortened by any terminal disclaimer, in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is otherwise terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
